### Directions from the San Francisco Airport (SFO)

From the airport look for and take the exit leading to US 101 North.

- Continue approx 1.1 miles to I-380 West.
- Take I-380 West to I-280 North, approx 2 miles.
- Take I-280 North approx 6 miles to CA-1 North/19th Avenue. Look for signs for 19th Avenue and the Golden Gate Bridge.
- Take 19th Avenue (CA-1) north to the Golden Gate Bridge, approx 7.5 miles. 19th Avenue has many traffic lights, timed to approx 35 mph. Later, it winds through Golden Gate Park and the Presidio. Look for and follow signs for US 101 North. Merge onto US 101 North and then cross the Golden Gate Bridge.
- Once you cross the GG Bridge, stay on US 101 North for about 64 miles until you come to the Central Healdsburg Exit.
- Exit Hwy 101 at the Central Healdsburg Exit/Healdsburg Avenue. At the second traffic light turn right onto Mill Street/Westside Road.
- Travel to the end of Mill Street and turn right. The road turns into Haydon Street, we are at 321 Haydon Street, behind the white picket fence.

### Estimated Driving Time from SFO

If traffic is light, the drive is a little more than 1.5 hours. If traffic is heavy, especially during morning and evening rush hours, the drive can be 2 to 2.5 hours. On Friday after 12 noon, when traffic is heaviest, the drive can be as long as 3 hours. The typical morning rush hour is over by 9:00 am. Evening rush hour starts around 4:00 pm, except on Friday when the traffic starts to pick up at noon. On the weekends, traffic is comparatively light.

Parking is available on the street or down the driveway in the back. If you need assistance, please call (800) 528 3703 and we will be happy to help. We hope your travels are safe and look forward to seeing you!
